- **Acreditado:** El hospital cumplía con todos los estándares cuando se le realizó la encuesta o dentro de los 90 días posteriores a la encuesta.
- **Acreditación preliminar:** El hospital aprobó una breve revisión de su cumplimiento con los estándares de la Comisión Conjunta y se realizará un estudio más completo en breve.
- **Acreditación condicional:** El hospital cumple con algunos, pero no todos, los estándares de la Comisión Conjunta, pero se realizará un estudio más completo en breve.
- **Acreditación provisional:** El hospital no pudo cumplir con todos los requisitos de mejora que sugirió la primera encuesta dentro de los 45 días, o el hospital no pudo demostrar que pudo mantener el cumplimiento.
