Welcome to UnitedHealthcare Community Plan

UnitedHealthcare Community Plan offers many plans in Arizona. This provider Directory is for our AHCCCS Long Term Care managed care plan. AHCCCS is Arizona Health Care Cost Containment System.

About this directory

This directory shows the providers who work with us. Keep it handy for reference. It has the name, address and phone number for our providers. These providers are in our network and can give services to our members.

Our network may change. Call Member Services to see that your provider is in the network. Call before you get services.

Member Services hours are 8 a.m. to 5 p.m. local time, Monday to Friday. The phone number is **1-800-293-3740**. For hearing impaired call TTY **711**.

Reporting incorrect information

To report incorrect information, email **provider_directory_invalid_issues@uhc.com**.

This email is for members to report potential inaccuracies for demographic (address, phone, etc.) data elements identified on the online or paper directories. Reporting issues via this email will result in an outreach to the provider's office to verify all directory demographic data.

Individuals can also report potential inaccuracies via phone. UnitedHealthcare Community Plan members should call the number on the back of their member ID card. Non-UnitedHealthcare Community Plan members can call **1-888-638-6613**.

Providers should go to **UHCprovider.com/portal** to use the My Practice Profile tool in the UnitedHealthcare Provider Portal under the Practice Management drop-down. Contractual issues should be addressed through your UnitedHealthcare Network contact at **UHCprovider.com/contactus**.

What is a Primary Care Provider (PCP)?

A Primary Care Provider (PCP) is your doctor or nurse practitioner. He or she takes care of your medical and clinical treatment. Your PCP may also refer you to a specialist. Your PCP works with you to manage your care. Talk to your PCP about all your health care needs.

For OB/GYN, a PCP referral is not needed.

For Maternity and Family planning, you should pick a Primary Care OB (obstetrician). The OB ensures you get pre- and postpartum services. These are services before and after your pregnancy.

How do I choose a Primary Care Provider (PCP)?

As a member of UnitedHealthcare Community Plan, you must choose a PCP. You will need to pick a PCP who is registered with AHCCCS and contracted with UnitedHealthcare Community Plan. Your Case Manager will provide a list of our providers. Picking a PCP is important. If you are in a nursing home, your PCP will visit you there.

If your current PCP is a UnitedHealthcare Community Plan PCP, you do not need to pick a new PCP. If your current PCP does NOT work with UnitedHealthcare Community Plan, your Case Manager will help you pick a new PCP. Refer to the list of UnitedHealthcare Community Plan PCPs. We will then inform you of your PCP's name, address and phone number.

How do I change Primary Care Providers?

You can change your PCP

Usually, it is better to stay with the same PCP. Your PCP knows you and has your records and knows what medications you take. Your PCP is the best person to make sure you get good care. There may be a time you want to change PCPs. If so, call or write your Case Manager. You can use this provider directory or go to myuhc.com/CommunityPlan to pick a new PCP. Once you have chosen your new PCP, let your Case Manager know right away. Your PCP change will happen on the first day of the month after we get your written request.

Some reasons you may change your PCP:

- You have moved and need a PCP closer to your home
- You are not happy with your PCP

Some reasons you may not change your PCP:

- You asked for a PCP who is not with AHCCCS
- You asked for a PCP who is not taking new patients

Your PCP may ask you to change to another PCP if:

- You and your PCP do not get along
- You do not follow your PCP's advice
- You are late or do not show up for appointments

If you lose and regain AHCCCS eligibility within 90 days, you will be re-enrolled with the same PCP, if he or she is still in the plan.

What is a specialist?

A specialist is a health care provider who cares for a certain area of the body.

If you need specialty care, your PCP may refer you to a specialist or another doctor. Members may also request services without a referral and may choose a provider from UnitedHealthcare Community Plan's provider network.

If your PCP wants you to see a specialist who is not contracted with UnitedHealthcare Community Plan:

- The specialist must be registered with AHCCCS
- Your PCP must get approval from UnitedHealthcare Community Plan
- This is called a Prior Authorization

Some specialists, like behavioral health and OB/GYN, do not require the PCP to make the referral. Members can self-refer. A complete list of services that require prior authorization is on our website. Or you can ask your Case Manager.

Prior authorization

UnitedHealthcare Community Plan reviews the service request from you, your PCP, or your specialist. Your doctor will tell you if the service is approved. If the service has been denied, UnitedHealthcare Community Plan will send you a letter, called a Notice of Adverse Benefit Determination. You have a right to know the criteria that are used to make decisions. Normal authorization decisions will be made within 14 calendar days from the date the request is received.

Extensions of up to 14 calendar days can be received if it is in your best interest. For example, we may be waiting to receive your medical records from your doctor. Instead of making a decision without those records, we may ask you if it's okay to get more time to receive the records. That way, the decision can be made with the best information. We will send you a letter asking for the extension.

Expedited (rush) decisions in urgent, life-threatening situations should be made in no later than 72 hours following the receipt of the authorization request unless an extension is in effect. For more information, call Member Services on Notice of Adverse Benefit Determination letters and actions you can take.

If we deny a request, you will get a letter. If we need an extension, you will get a letter. The letter will tell you the reason for the extension or denial. It will tell you your appeal rights. Criteria that decisions are based on are available upon request.

If you have questions, ask your Case Manager or contact Member Services at **1-800-293-3740**, TTY **711**.

Behavioral health services

We are concerned about how you feel. Behavioral health services can help you with personal issues that may affect you and/or your family. These issues may be stress, depression, anxiety or using drugs or alcohol.

If you need behavioral health services, contact your Case Manager. Your Case Manager can help pick a provider. You can also self-refer by calling a provider from the provider directory.

Your Case Manager can help you understand your behavioral health benefit. Covered Behavioral Health Services include but may not be limited to the following:

- Behavioral health medicines, monitoring, and adjustment
- Behavioral health therapeutic home care services
- Behavior management (personal care, family support/home care training, peer support)
- Doctor services
- Emergency and non-emergency transportation
- Emergency behavioral health care
- Individual, group and family therapy and counseling
- Inpatient hospital services, detoxification, and behavioral health residential services
- Inpatient psychiatric facility services
- Laboratory and radiology services
- Opioid agonist treatment
- Partial care (supervised day program, therapeutic day program, specialized outpatient substance use program and medical day program)
- Psychosocial rehabilitation (living skills training; health promotion; supportive employment services)
- Psychotropic medications, adjustments and monitoring
- Rehabilitation services

- Respite care – with limits
- Screening, evaluation, and diagnosis
- Substance use (drug, opioid, and alcohol) counseling, medication assisted treatment
- Support services
- Treatment planning

You may self-refer to a behavioral health provider, or be referred by providers, schools, State agencies, or other parties. You may see a behavioral health counselor, addiction specialist, psychologist, or psychiatrist without a referral from your PCP. To access behavioral health services, call your case manager, the behavioral health number on your ID card, use this provider directory, or visit myuhc.com/CommunityPlan.

¿Qué es un proveedor de atención primaria (PCP)?

Su proveedor de atención primaria (PCP) es su médico o enfermera practicante. Se encarga de su tratamiento médico y clínico. Su PCP también puede derivarlo a un especialista. Su PCP trabaja con usted para administrar su atención. Hable con su PCP sobre todas sus necesidades de atención médica.

Para un obstetra o ginecólogo, no se necesita una referencia del PCP.

Para planificación familiar y maternidad, debe elegir un obstetra de atención primaria. El obstetra le garantiza que reciba los servicios parto y posparto. Son servicios que se prestan antes y después de su embarazo.

¿Cómo elijo un Proveedor de atención primaria (PCP)?

Como miembro de UnitedHealthcare Community Plan, debe elegir un PCP. Deberá elegir un PCP que esté registrado en el AHCCCS y tenga contrato con UnitedHealthcare Community Plan. Su Administrador de Casos le proporcionará una lista de nuestros proveedores. Elegir un PCP es importante. Si se encuentra en un centro de convalecencia, su PCP lo visitará allí.

Si su PCP actual es un PCP de UnitedHealthcare Community Plan, no es necesario que elija un nuevo PCP. Si su PCP actual NO trabaja con UnitedHealthcare Community Plan, su Administrador de Casos le ayudará a elegir un nuevo PCP. Consulte la lista de los PCP de UnitedHealthcare Community Plan. Luego le informaremos el nombre, la dirección y el número de teléfono de su PCP.

¿Cómo cambio de Proveedor de atención primaria?

Puede cambiar su PCP

Generalmente es mejor permanecer con el mismo PCP. Su PCP lo conoce, tiene sus registros y conoce los medicamentos que toma. Su PCP es la persona más indicada para garantizar que usted reciba una buena atención médica. Podría haber momentos en los que desee cambiar de PCP. De ser así, llame o escriba a su Administrador de Casos. Usted puede usar este directorio de proveedores o acudir a myuhc.com/CommunityPlan para escoger un PCP nuevo. Una vez que haya elegido su nuevo PCP, infórmelo a su Administrador de Casos de inmediato. El cambio de PCP tendrá efecto el primer día del mes después de que recibamos su solicitud por escrito.

Algunos motivos por los que puede cambiar su PCP:

- Se ha mudado y necesita un PCP más cerca de su domicilio
- No está conforme con su PCP

Algunos motivos por los que no puede cambiar su PCP:

- Solicitó un PCP que no está con el AHCCCS
- Solicitó un PCP que no está tomando pacientes nuevos

Su PCP puede pedirle que se cambie a otro PCP en los siguientes casos:

- Usted y su PCP no se llevan bien
- Usted no sigue los consejos del PCP
- Llega tarde o no se presenta a las citas

Si pierde y recupera su elegibilidad de AHCCCS en el transcurso de los 90 días, se lo volverá a inscribir con el mismo PCP, si todavía se encuentra en el plan.

¿Qué es un especialista?

Un especialista es un proveedor de atención primaria que cuida determinada área del cuerpo.

Si necesita atención especializada, su PCP puede derivarlo a un especialista u otro médico. Los miembros también pueden solicitar servicios sin una referencia y pueden elegir un proveedor de la red de proveedores de UnitedHealthcare Community Plan.

Si su PCP quiere que consulte con un especialista que no tiene un contrato con UnitedHealthcare Community Plan:

- El especialista debe estar registrado con el AHCCCS
- Su PCP debe obtener aprobación de UnitedHealthcare Community Plan
- Esto se denomina Autorización previa

Algunos especialistas, como los de salud conductual y OB/GYN, no requieren una remisión del PCP. Los miembros pueden auto referirse. Una lista completa de los servicios que requieren autorización previa se encuentra en nuestro sitio web. O usted puede pedir a su Administrador de Casos.

Autorización previa

UnitedHealthcare Community Plan revisa la solicitud de servicio de usted, su PCP o su especialista. Su médico le dirá si el servicio está aprobado. Si el servicio ha sido denegado, UnitedHealthcare Community Plan le enviará una carta, llamada Notificación de determinación adversa de beneficios. Tiene derecho a conocer los criterios que se utilizan para tomar decisiones. Las decisiones de autorización normales se tomarán dentro de los 14 días calendario a partir de la fecha en que se reciba la solicitud.

Se pueden recibir extensiones de hasta 14 días calendario si es lo mejor para usted. Por ejemplo, es posible que estemos esperando recibir sus registros médicos de su médico. En lugar de tomar una decisión sin esos registros, es posible que le preguntemos si está bien tener más tiempo para recibir los registros. De esa forma, la decisión se puede tomar con la mejor información. Le enviaremos una carta solicitando la extensión.

Las decisiones aceleradas (urgentes) en situaciones urgentes que ponen en peligro la vida deben tomarse dentro de las 72 horas siguientes a la recepción de la solicitud de autorización, a menos que haya una extensión en vigor. Para obtener más información, comuníquese con Servicios para Miembros sobre las cartas de Notificación de determinación adversa de beneficios y las acciones que puede tomar.

Si rechazamos una solicitud, recibirá una carta. Si necesitamos una extensión, recibirá una carta. La carta le informará el motivo de la extensión o del rechazo. Le informará sus derechos de apelación. Los criterios en los que se basan las decisiones están disponibles a pedido.

Si tiene preguntas, consulte a su Administrador de Casos o comuníquese con Servicios para Miembros al **1-800-293-3740**, TTY **711**.

Servicios de salud conductual

Nos preocupa cómo se siente. Los servicios de salud conductual pueden ayudarlo con problemas personales que pueden afectarlo a usted y/o su familia. Estos problemas pueden ser estrés, depresión, ansiedad o consumo de drogas o alcohol.

Si necesita servicios de salud conductual, comuníquese con su Administrador de Casos. Su Administrador de Casos puede ayudarlo a elegir un proveedor. También puede autoderivarse llamando a un proveedor de la lista de proveedores.

Su Administrador de casos puede ayudarlo a comprender sus beneficios de salud conductual. Los servicios de salud conductual cubiertos incluyen, entre otros, los siguientes:
