Care Coordination

Care Coordination helps you get access to the care you need. UnitedHealthcare Community Plan has Care Coordinators for anyone in Turquoise Care. Care Coordinators help you meet your health needs. A Care Coordinator is your main point of contact. You can call or visit with them in person. They may contact you by phone or in person depending on your level of need.

A Care Coordinator does not provide direct care services, such as home health care, meal preparation, therapy, etc. A Care Coordinator is someone that looks at your physical, behavioral and/or long-term care needs and works directly with you and your family, to get the services needed to improve your health.

How do I get a Care Coordinator?

When will I meet my Care Coordinator?

If you need an interpreter or help in another language, call **1-877-236-0826**. Members who are hearing impaired call TTY **711**. We have materials in English and Spanish. We can help you get information in other languages. We can get a translator (including sign language) for doctor visits and Care Coordinator meetings.

What to do in case of an emergency

If you have a medical emergency, get help as quickly as possible. Call **911** or go to the nearest emergency room or hospital. Prior authorization is not required for emergency services. You can always get emergency care from the nearest available provider, whether or not they are a network provider.

Emergency care is covered by UnitedHealthcare Community Plan 24 hours a day, 7 days a week. It does not matter where you are in the United States.

Choosing a Primary Care Provider (PCP)

Your Primary Care Provider (PCP) is your personal care doctor. A Primary Care Provider is a doctor, clinic, or specialty nurse who helps you with most of your health care needs.

- 1. If you only have Turquoise Care Medicaid coverage:** You can pick a Primary Care Provider from this list or we will select a PCP for you. When you receive your initial member ID card in the mail, there will not be a PCP name on the ID card. You will need to choose a Primary Care Provider within 15 days of receiving your new member welcome kit, and call us to let us know who you have selected. If you do not choose a PCP within 15 days, we will pick one for you. We will select one in your area who is accepting new patients. We will mail you a new member ID card with your PCP name and phone number. If you are a Native American member, you may be exempt from PCP selection. Call Member Services at **1-877-236-0826**, TTY **711** to select your PCP or if you have any questions.
- 2. If you have Turquoise Care Medicaid with Medicare primary coverage:** Your Medicare will not change. You can see your current doctor or you can request a new one that takes Medicare.

Your PCP will give or manage most of your health care. Talk to your PCP about any health problems you have. Let your PCP know about your medical history. Tell them about any specialists that you are seeing and follow all your PCP's instructions.

Part of good health is seeing your PCP for checkups, even if you don't feel sick. UnitedHealthcare Community Plan will send you a reminder so you know when to go for a checkup. When you don't feel well, your PCP will help you. Be sure to call your PCP right away. Your PCP may refer you to a specialist.

If you have a doctor you like, you can stay with that doctor if he or she is in the UnitedHealthcare Community Plan network.

Access to obstetricians and gynecologists

Women may pick an obstetrician (OB) or gynecologist (GYN) to give care.

Special options for Native American members

Native American members may go to any Indian Health Service (IHS) or Tribal health care facility. You do not need a referral from your doctor or UnitedHealthcare Community Plan.

Family planning providers

When you need family planning or birth control, you can go to your doctor or a family planning provider. You do not need a referral from your doctor. Anything you tell the family planning provider is kept private. Your Care Coordinator can help you find a family planning provider. For family planning services you may see any doctor, even if they are not contracted with UnitedHealthcare Community Plan.

Virtual visits

As a member of UnitedHealthcare Turquoise Care, you are eligible for virtual visits if available with your provider.
